

Job Title: Electrical Estimator

Location: Fresno, CA

Reports to: Estimating Manager

Type: Full-Time

Company Overview:

Wild Electric, Inc. is a leading electrical contractor committed to delivering high-quality projects on time and within budget. We take pride in our expert team, innovative solutions, and dedication to client satisfaction. We are currently seeking an experienced Electrical Estimator to join our team and create competitive and accurate bids for our complex commercial and industrial projects.

Position Overview:

The Electrical Estimator will analyze project plans, specifications, and other documents to prepare accurate cost estimating for electrical installations and projects. The estimator will collaborate with project managers, clients, and supervisors to ensure proposals meet the project requirements and are competitive in the market. Strong leadership, organizational, and communication skills are essential, as is the ability to manage multiple bids simultaneously.

Key Responsibilities:

Competitive Bids

- Review and analyze project plans and specifications to determine scope and requirements.
- Prepare detailed cost estimates for materials, labor, and equipment necessary for electrical projects in a timely manner.
- Solicit quotes from suppliers and subcontractors to obtain accurate pricing.
- Stay current with industry trends, building codes, and safety regulations.
- Collaborate with supervisors to review bids, discussing labor, materials, subcontractors, and final cost sheets.

Post Bid Hand-Off

- Identify cost-saving opportunities, explore pre-fab solutions, and make recommendations.

- Collaborate with project managers to develop project budgets.
- Create labor tracking cost codes and schedule of values for projects awarded.
- Organizing and reviewing the project folder for ease of transition to operations.
- Review the scope of work.
- Reviewing vendor and subcontractor quotes.

Team Support

- Reviewing post-bid RFP,s and RFI,s
- Pricing change orders as needed by operations.
- leadership, communication, and problem-solving skills.

Qualifications:

- **Experience:** Minimum of 5 years in electrical construction/Electrical Estimator role or a related field.
- **Education:** Associate's Degree, Trade School, or related discipline preferred.
- **Certification:** Electrical Journeyman card or Electrical State Certification is preferred.
- **Skills:**
 - Strong understanding of electrical systems and construction processes.
 - Proven experience in the electrical industry.
 - Knowledge and understanding of computers and software.
 - Excellent analytical and mathematical skills.
 - Detail-oriented with strong organizational skills
 - Excellent leadership, communication, and problem-solving skills.

Why Join Us?

At Wild Electric, Inc., we value innovation, teamwork, and dedication. We offer competitive salaries, excellent benefits, and opportunities for career growth within a dynamic and supportive environment.

- Wage Range: \$107,000 - \$115,000 (based on experience)
- Benefits: 2 weeks PTO, sick pay, health and dental coverage for employees, 401(k) with up to 3% matching.

How to Apply:
